Women in Science and Engineering: Increasing Their Numbers in the 1990s

Errata Sheet

Please note the following corrections that were overlooked prior to publication:

- Page 18, Table 4: Column 2 should have the heading "Year," rather than "Total."
- Page 20, text line 3: "net" should be inserted before "new."
- Page 22, Figure 5: The caption should be "Women employed in science and engineering, by field, 1976 and 1986."
- The following entry was omitted from the Bibliography, p. 126:

Woodward, Clare. 1990. Staying there: Promotion and advancement of women scientists. In *Proceedings of the National Conference on Women in Mathematics and the Sciences*. Sandra Z. Keith and Philip Keith, eds. St. Cloud, Minn.: St. Cloud State University.

Ordering Information

If you would like **additional copies** of this report, they may be ordered from National Academy Press (NAP) at $23.00/copy, including shipping (Telephone: 1-800-624-6242). If you would like **a single copy** sent to another individual, the Committee on Women in Science and Engineering has a limited number of complimentary copies available (Telephone: 1-202-334-1841).

Comments

The Committee welcomes your comments. Please direct them to the letterhead address.

The National Research Council is the principal operating agency of the National Academy of Sciences and the National Academy of Engineering to serve government and other organizations
